### HEALTH, JOY, AND SUCCESS IS OUR WISH FOR YOU AS WE START THE NEW YEAR 5782

Now that we're into the month of September  
Let's take some time to reflect and remember—  
Before Rosh Hashanah has even begun—  
Some major events of 5781.

Esther gave Jewy TV presentations  
Skillfully Zooming to many locations.  
Her podcasts and writing achieved recognition  
As she delved into culture and Jewish tradition.

In Israel, the family was on a big mission  
And planned a Bar Mitzvah with COVID restriction.  
Dov carried the day with consummate skill  
With help from mishpocha, Jack, Penina and Gil.

Penina immersed in winemaking as work  
Bringing stories and samples home as a perk;  
Jack expanded his business and took the boys hiking  
And camping and swimming, much to their liking.

Simmy took on a new role in comedy production,  
A field in which he needs no introduction.  
Lani used her dynamic persona  
To promote mental health as her school faced Corona.

Julia saw San Francisco – Wow, was she lucky!  
She baked cakes and cooked sweet potato gnocchi.  
Susie learned piano and Ella made art  
And Ramah, for all three sisters, played a huge part.

Al and Aviva got their vaccination  
And found some time for a mini vacation.  
They posed and discussed many interesting questions  
Each morning, attending Zoom Delray Beach sessions.

This year shul attendance is a bit problematic  
As we strive to be healthy and not symptomatic.  
But wherever you go and whatever you do,  
A Happy New Year is our wish for you!
